

A close-up photograph of a hand holding a black handgun. The hand is in the foreground, and the background is a blurred indoor space with warm lighting, possibly a restaurant or cafe, with a person in a pink shirt walking in the distance.

# ACTIVE SHOOTER PROTECTION PROGRAM

GDP Advisors has created an Active Shooter Insurance Program to solve these potential gaps in coverage and adds additional layers of risk management- prevention and mitigation. Our Active Shooter Program wraps all risk into one policy form so that you aren't victimized twice, once by the incident and secondly by the gaps in coverage.

### SCHOOL SHOOTINGS

DECEMBER 15, 2012 - DECEMBER 9, 2014

- ✓ 3rd Party Liability Limits from \$1,000,000-\$20,000,000
- ✓ Built in Crisis Management Services (Standard- no additional premium)
- ✓ Crisis Management Response Team 24/7/365
- ✓ Active Shooters Seminar and Security Vulnerability test (Standard-no additional premium)
- ✓ Policy provides terrorism coverage as well
- ✓ Counseling Services and Funeral Expenses

The Active Shooter Insurance program will provide a solution to US Education Facilities, those institutions face an alarming risk and potential coverage gap in the General Liability and Terrorism insurance policies they currently have.
